Please visit www.marana.com for more information.

PAVING ON SILVERBELL ROAD

The Town of Marana and Granite Construction are making progress on the Silverbell Road, Ina Road to Cortaro Road roadway improvement project. Please be aware of the following traffic changes and restrictions:

- During the week of January 5, construction crews will be paving the **intersection of Silverbell Road and Ina Road and Silverbell Road, south of Cortaro Road to Ina Road**. Police officers will be in area directing traffic. Expect delays, proceed with caution, obey the posted speed limit signs, and be alert for construction equipment and personnel.
- During the month of January, Silverbell Road will have intermittent lane closures, as workers finish the landscaping and artwork.

The Town of Marana thanks you in advance for your patience as we work to improve this roadway.

** In the event of mechanical failure or inclement weather, the above construction schedule is subject to change.*
