

TRAFFIC ALERT

DATE: February 3, 2009

FOR IMMEDIATE RELEASE

Contact: Carol Oaks or Kimberly Gale at (520) 885-9009

Access to Wheeler Taft Abbett Sr. Branch Library Detoured

The Town of Marana and Granite Construction are at the final stages of the construction for the Silverbell Road, Ina Road to Cortaro Road, roadway improvement project.

Beginning February 19, construction crews will be installing sewer lines east of Silverbell Road and will close Schisler Drive and detour library patrons south onto a paved detour route.

Please be aware of the following traffic changes and restrictions:

- Schisler Drive will be closed from February 19 to March 2.
- Library patrons are asked to use the temporary detour just south of Schisler Drive. Please follow the detour signage. The detour will provide access to the library and library parking lot while sewer lines are installed underneath Schisler Drive. Library hours will not be affected during this work.
- Mamie Kai Drive, off Cortaro Farms Road, will not provide access to the library during this closure.
- Please proceed with caution and be alert for construction equipment and personnel.

The Town of Marana thanks you in advance for your patience as we work to improve this roadway.

** In the event of mechanical failure or inclement weather, the above construction schedule is subject to change.*
