

TRAFFIC ALERT

DATE: February 17, 2009

FOR IMMEDIATE RELEASE

Contact: Carol Oaks at (520) 885-9009

Access to Wheeler Taft Abbett Sr. Branch Library Detoured Starting Feb. 25

The Town of Marana and Granite Construction are in the final stages of the construction for the Silverbell Road, Ina Road to Cortaro Road, roadway improvement project.

Beginning Feb. 25, construction crews will be installing sewer lines east of Silverbell Road and will close Schisler Drive and direct library patrons south onto a paved detour route. The work was originally scheduled for this week.

Please be aware of the following traffic changes and restrictions:

- Schisler Drive will be closed from **Feb. 25 to March 2.**
- Library patrons are asked to use the temporary detour just south of Schisler Drive. Please follow the detour signage. The detour will provide access to the library and library parking lot while sewer lines are installed under Schisler Drive. Library hours will not be affected.
- Mamie Kai Drive, off Cortaro Farms Road, will not provide access to the library during this closure.
- Please proceed with caution and be alert for construction equipment and personnel.

The Town of Marana thanks you in advance for your patience as we work to improve this roadway.

** In the event of mechanical failure or inclement weather, the above construction schedule is subject to change.*
