

Interstate 10 Traffic Interchange

At Twin Peaks/Linda Vista

Public Open House

May 4, 2009

The Town of Marana will begin construction this Spring on the traffic interchange on I-10 at Twin Peaks Road and Linda Vista Boulevard.

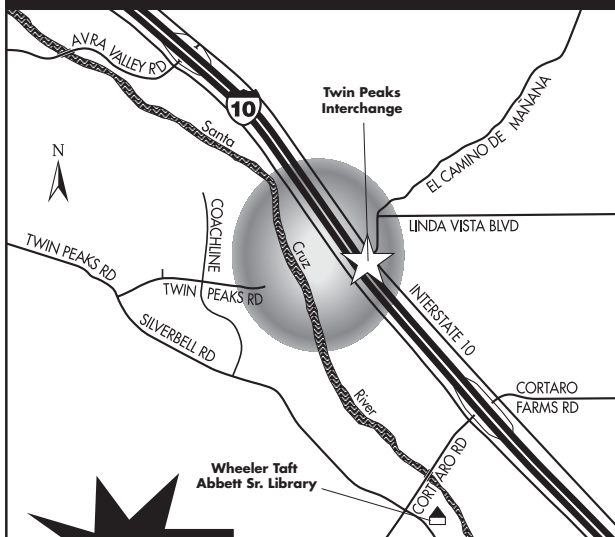

The interchange will relieve traffic congestion in the Town of Marana and northwestern area of metropolitan Tucson, and along with its sister project Camino de Mañana, reduce travel times for northwest residents in general.

Area residents, property owners, and business representatives are encouraged to attend the open house. The public will have an opportunity to review the new interchange design, art work and construction timeline. Project team members will be available to answer questions.

Persons with disabilities may request accommodation, such as a sign language interpreter, or alternate document formats by contacting Kimberly Gale at (520) 885-9009 or by fax to (520) 885-0311. Requests should be made as early as possible to allow time to arrange the accommodation.

For information, please contact Kimberly Gale at (520) 885-9009 or kimberly@kaneenpr.com.
